**IT'S ALL ABOUT
QUALITY**

ABOUT COMPANY

Metal Dreams Industries which is expansion of M/ s Shyam sunder strips in Jagadhri from last 50 times, is at present one of the leading manufacturers of Copper & Copper blends wastes, Strips, Phosphor Citation with a major supplier to the Electrical & Automotive diligence.

Metal Dream Industries moment boasts of a strong client base which includes some of the big names of the Indian assiduity. Ready vacuity of stock, competitive pricing, workability in trade, terms & conditions, and going the last country mile to insure client satisfaction.

MISSION & VISION

MISSION

To Exceed Our Customer's Expectations In Quality, Delivery And Cost Through Continuous Innovations and Technology up-Gradation.

VISION

To be a World Class Indian supplier of Copper and Copper Alloys Strips (bare or plated), Foils and Forms.

CERTIFICATE

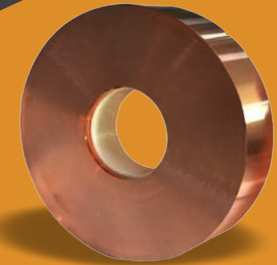

ISO Certificate :Metal Dream Industries is an ISO 9001: 2015 Certified Company, engaged in the manufacturing of copper & its alloys. With our strong infrastructural base and highly skilled workforce, we have been recognized as a prominent company, offering world class range of products.

OUR CLIENT

COPPER COIL

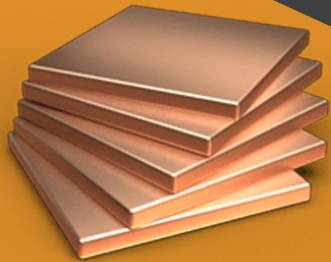

Metal Dream Industry is the best Copper Coils Manufacturer in India. We are involved in offering a wide range of copper coil to clients. The Copper Coil offered by us is dimensionally accurate, rust-proof, seamless finished and heat resistant. These copper coils can be used for various industrial purposes.

Dimensions (mm)	Thickness		Width / Diameter		Length	
	Min	Max	Min	Max	Min	Max
Products						
Sheets	0.10	16.0	15.0	1350.0	50.00	3000.0
Coils	0.05	3.50	6.00	365.00	-	-
Circles	0.20	6.00	40.0	1250.0	-	-

COPPER SHEETS

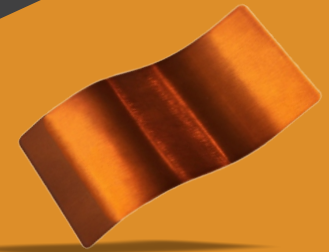

Metal Dream Industry is the best Copper Sheets Manufacturer in India. The copper sheets offered by us are dimensionally accurate, rust-proof, seamless varnished and heat resistant. These copper sheets can be used in industries for keeping stocks to meet any urgent requirements. The bigger sizes are mainly used in the lamination stamping industry for the manufacturing of Alternators and other ancillary equipment.

Dimensions (mm)	Thickness		Width / Diameter		Length	
	Min	Max	Min	Max	Min	Max
Products						
Sheets	0.10	16.0	15.0	1350.0	50.00	3000.0
Coils	0.05	3.50	6.00	365.00	-	-
Circles	0.20	6.00	40.0	1250.0	-	-

COPPER STRIPS

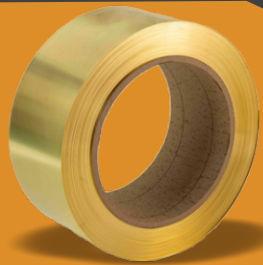

Metal Dream Industry is the best Copper Strips Manufacturer in India. The copper strips offered by us are dimensionally accurate, rust-proof, seamless varnished and heat resistant. These copper strips can be used for protecting external construction such as roofs, flashings, towers, gates, rain drains etc.

Dimensions (mm)	Thickness		Width / Diameter		Length	
	Min	Max	Min	Max	Min	Max
Products						
Sheets	0.10	16.0	15.0	1350.0	50.00	3000.0
Coils	0.05	3.50	6.00	365.00	-	-
Circles	0.20	6.00	40.0	1250.0	-	-

BRASS COIL

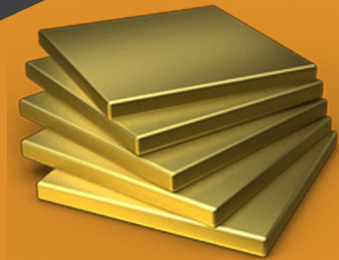

Metal Dream Industry is the best Brass Coils Manufacturer in India. We are involved in offering a wide range of brass coil to clients. The brass Coil offered by us is dimensionally accurate, rust-proof, seamless finished and heat resistant. These brass coils can be used for various industrial purposes.

Dimensions (mm)	Thickness		Width / Diameter		Length	
	Min	Max	Min	Max	Min	Max
Products						
Sheets	0.10	16.0	15.0	1350.0	50.00	3000.0
Coils	0.05	3.50	6.00	406.00	-	-
Circles	0.20	6.00	40.0	1250.0	-	-

BRASS SHEETS

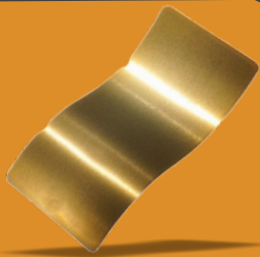

Metal Dream Industry is the finest Brass sheet Manufacturers in India. Our brass sheets offer excellent corrosion resistance, durability and malleability, making them versatile for different applications. These sheets can be easily formed and shaped to meet specific design requirements, allowing for intricate detailing. Brass sheets are often used in architectural accents, musical instruments, jewellery and for electrical components.
